Stylishly Renovated Apartment in the Sought-After Santa Catalina District

Welcome to the heart of Santa Catalina – one of the most charming and vibrant neighborhoods in Palma de Mallorca. This stylishly renovated apartment is located on the second floor (without elevator) and offers approximately 85 m² of Mediterranean elegance combined with urban living comfort.

Upon entering, you are greeted by high, original ceilings – an architectural feature that lends the apartment a spacious and airy atmosphere. The property comprises two bedrooms (one of them with an en-suite bathroom), a second fully equipped bathroom, an open-plan living and dining area, and a small balcony, ideal for enjoying the pleasant Mediterranean breeze and the lively city ambiance.

The south-facing orientation and thoughtful layout ensure abundant natural light, creating a bright and welcoming atmosphere. The building, with only a few neighbors, is situated on a quiet yet central street – offering the perfect balance between city life and relaxation. Whether you are looking for a stylish home or a valuable investment property – this apartment offers both.

Feel free to contact us for more information or to arrange a viewing!
